Moved by Daniel that minutes be accepted and seconded by Peter. Carried.

Matters arising:

- Vox Pop with ODT hasn't developed despite Maria putting time into this – thank you Maria
- No personal statements have come through re Clean Air Loop article
- Mayor's meeting – no big outcome, funds exist for footpaths; no clear path for Clean Air assistance; lighting issues – haven't received any public complaints since 2014; stormwater – currently working on Centennial Ave; Butler's Wall – Heath to advise committee; Olive Leaf – Jim asked to be kept informed of the process. Jim states that infill of housing could become an issue again in future.
- When do we start the publicity push for Councillor candidates? – Nominations to open August. Begin talking to networks now. 3 positions that must be filled. Everyone to shoulder-tap potential candidates. Heath Copeland to verbalise invitation to all councillors to April meeting, including those who are not located within new Arrowtown Ward structure
- Susan met with Rachel Rose, SoF Board member, keen to look at review, consulting John Glover, Executive Officer, and will be in touch. Discussed online options.

The outwards correspondence has been read and dealt with.

Treasurer's Report: As attached

Dave to forward some further information to committee.

Dave moved adoption of report and seconded by Daniel.

Councillor's Report:

- Butler's Wall – came up in last full Council meeting were removing funding – since then, Heath has managed to successfully amend resolution so council would commit to doing something about wall in next two years. Internal submission for annual plan, forward from infrastructure plan, about some option of what we should or can do to rectify the wall. Unsure what desired plan will be – might need fill, or anchors.
- Tennis Courts – almost done.
- Heath invited to meeting tonight from concerned residents from McDonnell Road – concerned about speed. Couldn't make it due to this meeting but something to listen out for.

Committee reports

Clean Air:

- Susan Rowley – ORC replied: Sarah Harrison says ORC will be doing the usual winter engagement, social media posts etc the same as last year. Also planning a project with community involvement measuring real life emissions from ULEBs. More info to come.

General Business:

- Analysis of survey results – Nick, Peter and Nicolette to create a subgroup, 45-minute meeting to kick start this. Susan also available if required.
- Coronet Loop Track Opening attendance 4 March 6-8pm – Susan may attend. Dave Harding-Shaw will try make it to end of Opening but unlikely.
- Susan meeting with Kate Smith, new board member for Te Atamira – the Whakatipu's new arts and cultural centre – to see how this relates to arts and culture in Arrowtown, local iwi and venue availability
- Next Loop article due to Susan Sunday 13 March – Comment about speeding in Arrowtown Boundary and plug about dry firewood and promotion of firewood moisture meters. Daniel to complete this.
- Next Member Newsletter – didn't manage last month, will do this month – Maria and Susan.
