

The Arrowtown Village Association Committee Meeting 7 pm – Thursday 28 July 2022

Arrowtown Community Rooms (Tennis Rooms)

Minutes

Meeting commenced at 7:03pm

Present: Susan Rowley (Chairperson), Daniel Sim, Dave Harding-Shaw, Heath Copland, Ben Teele, Graham Morrison, Nicolet Spice, Maria Burnett (Minutes Secretary).

Apologies:

Dave Boe, Nick Fifield.

Apologies moved as correct by Daniel and seconded by Ben. Carried.

Minutes of previous meeting:

Minutes of previous meeting moved as true and correct by Nicolet and seconded by Graham. Carried.

Matters arising:

- SoF Review – panel meetings going well, end Wednesday 10 August. Reasonable amount of tweaking with a view to formatting the recommendations for action and use in our Annual Plan submissions. Lots of discussion around protecting our Greenbelt from property development. Incorporating wording respectful of mana whenua, particularly in the introduction. Community Forum set for 28 September.
- Ward Representative for Election – nominations close 12 August 12pm – Heath will not be re-running. Lisa Guy and Craig Ferguson standing.
- Olive Leaf Update – all evidence has been lodged, waiting for hearing date to be set
- Fundraising – Scratchy board sold by Maria. \$50 made to cover committee admin costs.
- Cooper's Terrace – working with Alison on format for the poll.
- Pump Track – Dave has emailed the survey questions to the Primary School
- Gateway Project – quotes from Patch Landscapes to come back to committee for consideration. Susan will forward Nick's email from Patch with some example work to the committee and we will manage this decision over email over the next week.

Inwards Correspondence:

- Kā Huanui a Tāhuna - Huanui Pānui July 2022
- Nick – Arrowtown Gateway Project – indication from Patch Landscapes of what they can do for \$2.5k – significantly reduced fee – usually \$6k
- Dave HS – questions for Arrowtown Primary re Pump Track
- Noel Beggs Community Response Group (CRG)– New estimate of \$3,900 but are able to get funding elsewhere. Application – CRG will prepare the paperwork for us ~~and just require the signatures.~~ Dave Harding-Shaw moves that AVA receives the request ~~from Noel~~ from CRG and AVA supports their endeavours through banking and charitable status and assistance. Ben Teele seconds. Carried.
- Noel Beggs – s274 evidence on our behalf for OLCT Env Court Appeal
- Dave Hanan – various re 3 McDonnell Rd potential developments – Dave has now sought their being heard as one bundle by the EC

- Sarah Harrison, Rene Haerberli re Air Quality, ULEB study and Oeko Tubes

Moved by Dave Harding-Shaw that correspondence is correct. Seconded by Ben.

Treasurer’s Report

Report attached.

Moved by Dave that it has been accepted and seconded by Ben Teele. Carried.

Councillor’s Report:

Currently in pre-election protocol stage so not making any binding decisions for future councils. Main topic of discussion is discussing possible candidates.

Committee Reports

Tracks

Further follow-up with Council regarding Coronet Forest, good engagement and still looking like following our suggestion. Likely site visit as next step.

Great evening at the Coronet Peak Re-forestation event. Large turn out with a mix of people. Most off the focus is on replanting the front face of Coronet Peak Station, likely planting day of 10,000 native trees 15 October, look to raise profile closer to the time. Big plans for the whole station over time, and work with places such as Otago Uni in developing better methods of planting. Ben and Graeme also there.

Clean Air

The ORC ULEB testing has finished – there were 7 volunteers which was a good response. Sarah Harrison is very grateful to the volunteers and Arrowtown community for being so engaged in the issue. We will have the results in a few more months after the analysis is finished. The only other update is Vanessa Hammond from SDHB presented her recent research results to ORC a few weeks ago. It was well received and was used to introduce the timeframe for the Air Plan review. Here is further info and links to Vanessa's work: <https://orc.govt.nz/managing-our-environment/air/air-quality-and-health>

General Business:

- The Loop article – Susan - briefly cover ORC ULEB study and thank the seven participants and mention the Jan Morrison poll, pump track, bus.

Summary Points:

- APBA/AVA Mayoral Candidate evening Monday 29 August – advertise 7 August
- SoF Review Community Forum Wednesday 28 September
- Support approved for Community Response Group banking etc
- Gateway Project – Susan emailing out – responses required
- Abbey Mocke QLDC– guest at September Meeting

Meeting concluded at 8:20pm

Next Meeting: Thursday 25 August 7pm, Community Rooms – Guest Speaker Julie Scott QLCHT.
