#### **Treasurer's Report**

Report attached.

Moved by Dave and seconded by Nick.

#### **Committee Reports:**

##### **Councillor's Report**

Not much to report as in midst of local elections. Hopefully everyone getting out and about and attending 'meet the candidates' evenings around the District. While this is taking place, no decisions being made within Council.

Heath will go to first AVA meeting with new Councillor as a 'hand-over'. Plans to step back from AVA meetings for 12 months following the end of his term as Arrowtown Ward Councillor but will still be available if something comes up.

Heath to follow up on the planting of noxious trees in public areas around Arrowtown.

##### **Tracks Report:**

Site visit set with Dave and QLDC for Oct 19 to come up with a plan for what will be achieved on the Coronet Forest initial site visit on 2 Nov. Small group of representatives to review proposed trails onsite. Meeting on 2 November to plan the site visit.

Put up a Facebook post about Nick's proposed tracks off New Chums, around the bluff and down the river. Positive response.

Small response to query around pump track (3), all positive and wanting upgrade not just refresh. Have followed up with the school for more info from them.
